Re: request to continue case #10947A-14

Dear Mr. Fields:

Due to a conflict with the City Council meeting scheduled December 1, 2014, I respectfully request an extension of the agency action timeline from 60 days to 120 days and to continue my request for a building variance, case #10947A-14, for my home located at 9845 Brookside Avenue South, until the December 15th City Council meeting.

Please let me know if more information is required at this time.

Your consideration is much appreciated.

Sincerely,

Julie A. Bauch
